## Welcome Back DECA Members!

Our competitors rocked the Region Testing and now we have to rock the role play and win their event! BACK TO BACK REGION CHAMPS IS IN OUR FUTURE!

Your President,  
*Jayden Braxton*

## DECA Week Recap

On the week of November 13-17, 2017, our members participated in the annual National DECA Week to celebrate our club and what we have to offer as a CTSO (Career and Technical Student Organization)!

Mrs. Austin also enacted "Thankful Thursday" once again for her classes and DECA members to write as many thank you notes to staff members for all they do for them and for our school. It was a wonderful treat before the Thanksgiving holiday.

## Region Competition Boot Camp

President (Jayden Braxton) and our VPs of Competition (Nahdia Johnson & Rebecca Mills) hosted two role play boot camps for the Region competition. The first meeting, our officers explained how to analyze the business situation and how to interact with the judge, proving to be beneficial for our first-time competitors.

With the second role play, our returners did a full role play example with Rebecca and Nahdia acting as judges. We cannot wait to see how well our first-time competitors place!

## Region Testing

On November 13 and 14, 43 members tested for the Region Competition and select State Competitions. We did a superb job with only 9 competitors not qualifying with a 60 test score. Our top 5 scorers were as follows:

- 1) Sydney Phillips: 83
- 2) Brooklyn Stewart: 82
- 3) Maurice Onyeani: 80
- 4) Destiny Warren: 77
- 5) Femmy Balogun, Sam Kofi-Opata, Cameron McLain: 76

## DECA Graduation Stole Recipients

Congratulations to these seniors who have achieved their required points in November 2017:

- Trenton McRae
